Version 01  
November 2016

## REPAiR Face-Book

This is the REPAiR Face-Book. All people involved in REPAiR can be found in this Face-Book. Next to a picture, you can find the following information:

Name  
Institution  
E-mail address  
Position  
Workpackages  
Research interest

The colour of the name corresponds to the case study area where the person is working, see map on the right. If the person is working across case studies, the name is coloured in black. The Face-Book is alphabetically ordered by institution's abbreviation:

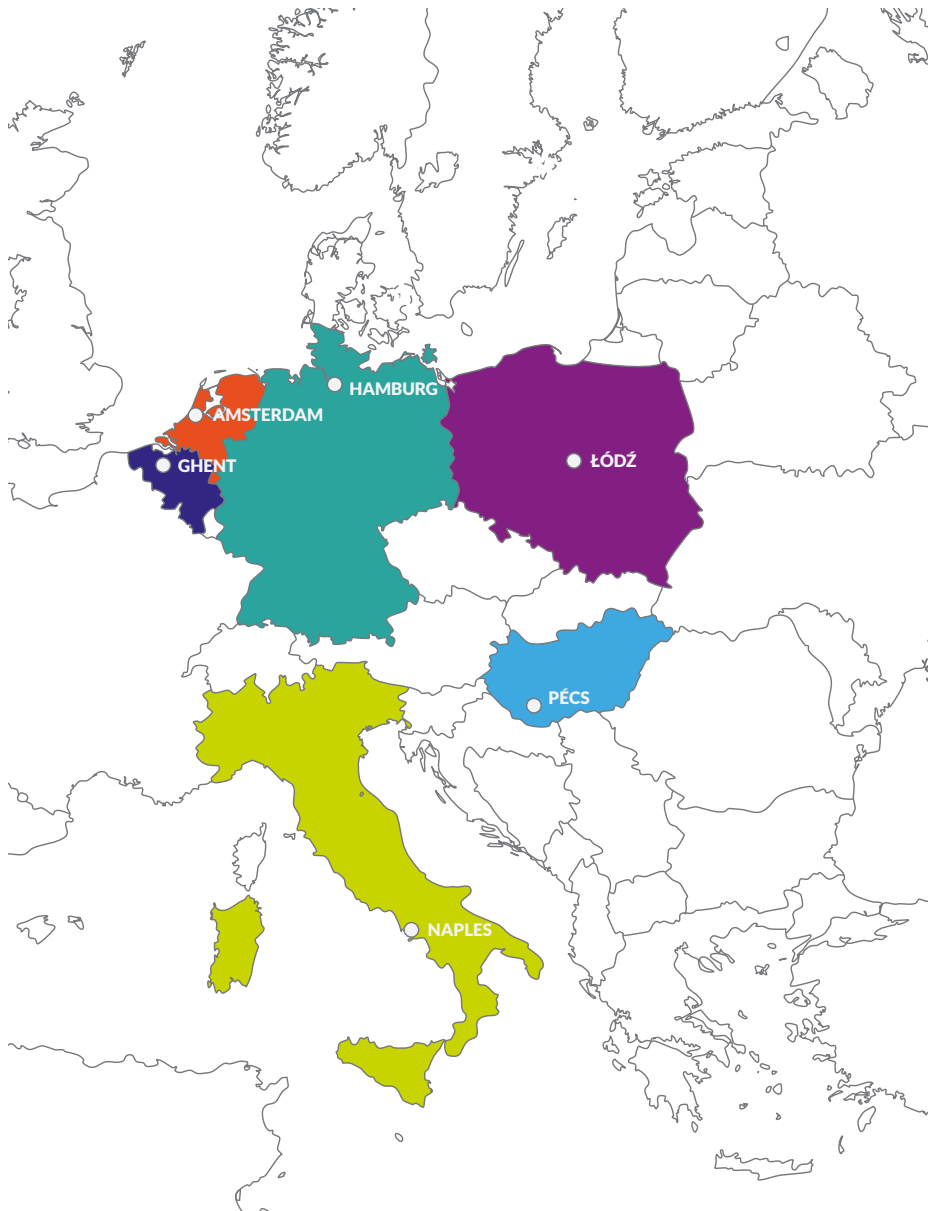

BIOKOM	BIOKOM Nonprofit Ltd
BMU	Bauer Umwelt GmbH
GGR	Gertz Gutsche Rügenapp Stadtentwicklung und Mobilität GbR
Geo-Col	Geo-Col GIS and Collaborative Planning
HCU	HafenCity Universität Hamburg
IGiPZ	Institute of Geography and Spatial Organization Polish Academy of Sciences
IVAGO	IVAGO
JRC	Joint Research Centre
OVAM	OVAM - Public Waste Agency of Flanders
PHH	Pheno horizon
RKI	Institute of Regional Studies, CERS of JAS, MTA KRTK
SRH	Stadtreinigung Hamburg
TUD	Delft University of Technology
UG	Ghent University
UNINA	DiARC UNINA - University of Naples Federico II

At the end of the Face-Book you can find the User Board members.

Within the institutions or the User Board members group, the people are alphabetically ordered by first name.

Please consider all information as strictly confidential and for your use only.

In case (some of) your information is missing or has changed, please contact Rusne Sileryte: [r.sileryte@tudelft.nl](mailto:r.sileryte@tudelft.nl).
